

The Dedication of the Mary and Bruce Stevenson Wing

The Dedication of the Mary and Bruce Stevenson Wing celebrates the Grand Opening of the first expansion in the history of Maryhill Museum of Art. The historic museum was dedicated by Marie, the Queen of Romania herself, in 1926, and the 2012 Dedication will honor Maryhill's unique past while looking forward to its vibrant future. Marking Founder Sam Hill's 155th birthday, the Dedication will be held May 12th & 13th.

There will be tours, lectures, hands' on art projects for all ages, a dance performance, car show, a commemorative book, Loops Road antique car tours, a Members' Reception, special Dedication Exhibit, photo ops, antique aeroplane fly-bys, fireworks, a Donors' Gala, and much more. And best of all, admission will be free to everyone the entire weekend!

Your organization can partner with Maryhill Museum of Art by sponsoring these events. You'll be helping to enhance art, culture, history, and education in the community, all while strongly impacting our local economy. And remember, your sponsorship will be tax deductible as a charitable donation. You'll also have the assurance that by actively supporting the museum's mission, you'll be investing in the communities of the Gorge themselves.

Maryhill will work with you to design a sponsorship package that best fits your organization's needs and provides you with the most meaningful benefits. Public recognition will be founded on the type and amount of sponsorship you choose to support, and opportunities are available for both exclusive and shared sponsorships. Just let us know which event best fits your organization's mission and interests, and we'll match you with a project that best harmonizes with your organization's philanthropic goals.

Please contact Becky Wagenblast, Development Director, at (509) 773-3733 or becky@maryhillmuseum.org for more information. Thank you for your interest in supporting this historic day at Maryhill!
