4. **2019 Commemorative Pair** Value: \$911 each or \$1,822 for pair
Maryhill Museum of Art celebrates Sam Hill's magnificent ranch with a special pair of 3 liter commemorative bottles with drawings by David Savinar and filled with premier wine from Phelps Creek Vineyard. Established in 1990, Phelps Creek garnered international attention through their decade long relationship with Burgundian Vigneron Alexandrine Roy of Gevrey-Chambertin and a long series of high praise reviews from wine publications. On their spectacular Hood River estate, guests touch the vines and enjoy barrel tasting followed by locally-sourced food & wine pairings. The wines are:
- 2015 Phelps Creek "Cuvée Alexandrine" Pinot Noir, Columbia Gorge: Fourth generation Winemaker Alexandrine Roy joins Phelps Creek from Gevrey-Chambertin every year since 2007. In this vintage she selected the finest 10 barrels from across their 34 acres of estate vineyards. A diversity of clones and micro-climates adds layers of sensory experience. Spontaneous, native yeast fermentation exposes the *terroir* of our acclaimed Hood River Valley estate. Tobacco and spice tones, emanating from ancient volcanic soils, grace a lingering structure of savory red and dark fruit expressions.
 - 2016 Phelps Creek "Vieille Lynette" Chardonnay, Columbia Gorge: This estate grown wine underwent 20 months elevation in a 500 liter French oak puncheon. Crafted using a mixture of Dijon clonal selections, the wine retains bright acidity with lush undertones of tropical fruit and Mediterranean spices. The skill of the winemaker shines by utilizing extended aging prior to bottling, accentuating the mid-palate texture of wine while retaining magnificent balance and length of finish. This critically acclaimed 2016 "Vieille Lynette" Chardonnay most recently received 93 points by wine reviewer James Suckling.

This exquisite necklace features a beautiful enameled peacock with the museum building in the background set in 24-karat gold cloisonné. The pendant itself is sterling silver and set with two blue sapphires. The 24" chain has a turn clasp. The artist, JoDean Sarins of Array of Elegance, says she was greeted by a white peacock when she first saw Maryhill and it is part of her mental image of the place. As an enamellist, living in this beautiful part of the world, she tries to capture the mountains and rivers of the Northwest in her enameled cloisonné. The jewelry is signed by the artist and has her makers mark, an Afghan dog, stamped on the back of each piece.
