INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Maryhill Museum of Art
Goldendale, Washington

Report on the Financial Statements

We have audited the accompanying financial statements of Maryhill Museum of Art (the Museum) (a nonprofit organization), which comprise the statements of financial position as of December 31, 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Maryhill Museum of Art as of December 31, 2018, and the changes in its net assets, functional expenses, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 1 – Organization and Summary of Significant Accounting Policies

Museum:

Maryhill Museum of Art (the Museum) is a not-for profit corporation, incorporated in the State of Washington in 1923. The Museum’s mission is as follows: “From the unique Columbia River Gorge, Maryhill Museum of Art collects, presents and preserves art and historical and natural resources to enrich and educate residents and visitors of the Pacific Northwest.” This is accomplished through growth and stewardship of the Museum’s unique collections, cultural and natural resources, and presentation of quality exhibitions and educational programs. The Museum’s support comes primarily from admissions, dues, merchandise and food sales, investment income, rentals and donor contributions.

Summary of Significant Accounting Policies:

Basis of Presentation – The Museum prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized when earned and expenditures are recognized when incurred.

Cash and Cash Equivalents – The Museum considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. Short-term investments and restricted cash and cash equivalents not available for current use, including money market funds and certificates of deposit, are not considered to be cash equivalents for purpose of the statements of cash flow.

Investments – The Museum has adopted the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Section 958. Under ASC 958, investment in marketable securities with readily determinable values, and all instruments in debt securities are reported at their fair values in the Statements of Activities and Changes in Net Assets.

Inventory – Inventory consists primarily of gifts, books and educational materials and other store supplies held for sale to the public and other institutions. Inventory is stated at the lower of cost or market. The Museum determines cost principally by specific identification.

Collections – Collections consist of artwork, artifacts, and books all with historical significance, and are held for educational, exhibit, research, and curatorial purposes. In conformity with industry practice, the Museum does not capitalize its collections in the accompanying statements of financial position.

The Museum employs a full-time employee to manage stewardship of the artifacts and collection, under the direction of the Executive Director and Board of Trustees. Each piece is cataloged, preserved, and cared for, and activities verifying their existence and assessing their condition are performed continuously.

Property and Equipment – Property and equipment are stated at cost. The Museum capitalizes the cost of property and equipment with an estimated useful life in excess of one year. Donated fixed assets are recorded at estimated fair market value on the date donated. Depreciation is recorded on fixed assets using the straight-line method over the estimated useful lives of the assets, from 5 to 48 years. When items are retired, sold or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in operations. The cost of maintenance and repairs is charged to expense when incurred.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 1 – Organization and Summary of Significant Accounting Policies (continued)

Contributions – Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Funds restricted by the donor for a particular purpose are reported as net assets with donor restrictions that increases that net asset class. When the Museum has complied with the specific restrictions, such funds are released from restriction and recorded as unrestricted revenue. Contributions of assets other than cash are recorded at their estimated fair value as of the date of the donation.

Classification of Net Assets – The Museum reports information regarding its financial position and activities according to two classes of net assets: Net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions – Net assets that are not subject to or no longer subject to donor-imposed stipulations.

Net Assets With Donor Restrictions – Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

Revenues are reported as increases in net assets without donor restrictions unless use of the related asset is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expiration of donor restrictions on the net assets (i.e. the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Classification of Revenues – Individual and corporate contributions (gifts, pledges, and bequests) are generally available for use in the Museum’s primary activity without restrictions unless contributions are made with donor-imposed stipulations.

Periodically, the Museum hosts fund raising benefit events. There are generally no restrictions from this support and the funds are used for the Museum’s primary activity and general operations.

The Museum charges fees for admissions, memberships, retail sales, and cafe sales, and leases certain land for agricultural purposes. There are no restrictions on this support and the funds are used for the Museum’s primary activity and general operations.

Federal Income Tax – The Museum is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Museum follows FASB ASC Section 740, which clarifies the uncertainty in income taxes. Management has evaluated the Museum’s tax positions and has concluded that the Museum has taken no uncertain tax positions that require adjustments to the financial statements, or that call into question the Museum’s tax status.

Functional Expense Allocation – The costs of providing the Museum’s various programs and other activities have been summarized on a functional basis in the accompanying statement of functional expenses. Accordingly, certain expenses have been allocated among the programs and supporting services benefited based on management’s estimates of costs associated with the various activities.

Contributed Services – A substantial number of unpaid volunteers have made significant contributions of their time to develop the Museum’s programs, collections, exhibitions, membership, and marketing. The value of such contributed time is not reflected in the financial statements since it does not meet the criteria for recognition.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 1 – Organization and Summary of Significant Accounting Policies (continued)

Advertising Costs – The Museum charges advertising costs to expenses as incurred. Advertising expense for the year ended December 31, 2018 was \$11,229.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amounts of revenue and expenses during the period. Accordingly, actual results could differ from those estimates.

Subsequent Events – Subsequent events have been evaluated through May 18, 2019, which is the date the financial statements were available to be issued.

New Accounting Pronouncement – During the year ended December 31, 2018, the Museum adopted the requirements of the Financial Accounting Standards Board’s Accounting Standards Update No. 2016-14-Not-for-Profit Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities (ASU 2016-14). This Update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions. A footnote on liquidity has also been added (Note 12).

Note 2 – Investments and Fair Value Measurements:

The Museum’s investments consisted of the following at December 31, 2018:

Description	Cost	Accumulated Unrealized Gain (Loss)	Fair Value	Fair Value % of Total Assets
Money Accounts/CD's	\$ 943,728	\$ -	\$ 943,728	6.9%
Equities	384,815	652	385,467	2.8%
Mutual Funds	43,425	451	43,876	0.3%
Total	<u>\$ 1,371,968</u>	<u>\$ 1,103</u>	<u>\$ 1,373,071</u>	<u>10.0%</u>

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 2 – Investments and Fair Value Measurements (continued):

FASB ASC Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Museum has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets stated at fair value. There were no changes to the methodologies used during the year ended December 31, 2018.

Level 1 – Certificates of deposit, money market funds, mutual funds, and equities are valued at the closing price reported in the active market in which the individual securities are traded. The fair value of the mutual funds is based on quoted net asset values of the shares held by the Museum at year end.

Level 2 – The Museum had no investments that are classified as Level 2 at December 31, 2018.

Level 3 – The Museum had no investments that are classified as Level 3 at December 31, 2018.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes the Museum's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 2 – Investments and Fair Value Measurements (continued):

Fair value measurements for investments reporting on a recurring basis at December 31, 2018 were as follows:

	Level 1	Level 2	Level 3	Total
Money Accounts/CD's	\$ 943,728	\$ -	\$ -	\$ 943,728
Equities	385,467	-	-	385,467
Mutual Funds	43,876	-	-	43,876
Total	<u>\$ 1,373,071</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,373,071</u>

Note 3 – Endowment Funds:

The endowment consists of funds established to support specific purposes. The Museum classifies and reports net assets associated with endowment funds based on the existence or absence of donor-imposed restrictions. The donors of the permanently restricted endowment fund have stipulated the principal must be maintained intact in perpetuity.

The Board of Trustees originally adopted, in 2005, an Endowment and Reserve Policy (the Policy) outlining the goals and processes for funding, accounting for, and use of endowments and reserve funds. The Policy has been continuously updated, with the most recent revision in 2015.

The Board of Trustees of the Museum has interpreted the Washington State Prudent Management of Institutional Funds Act (PMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Museum classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Any earnings from the investments, including realized and unrealized gains or losses, are unrestricted and may be used for any purpose designated by management.

In accordance with PMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investment, (6) other resources of the Museum, and (7) the Museum's investment policies.

The Museum's investment policy for endowment funds is a conservative investment strategy. Investments shall be diversified to minimize the risk of large losses. The Museum's investment managers shall invest so that they preserve capital, control risk, and adhere to the investment styles of each manager. The investment strategy emphasizes total return; that is the aggregate return from capital appreciation, dividend income, and interest income. The Museum's goal is to exceed a 6% rate of return. Thereafter, spending will be targeted at 5% of the average three-year portfolio value.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 3 – Endowment Funds (continued):

The composition of endowment net assets as of December 31, 2018 is as follows:

Donor-restricted endowment funds:	
Permanently restricted	\$ <u>1,213,107</u>

Changes in endowment net assets as of December 31, 2018 are as follows:

Endowment Net Assets - beginning of year	\$ 1,160,107
Contributions	53,000
Investment income	-
Net appreciation	-
Program expenditures	<u>-</u>
Endowment Net Assets - end of year	\$ <u>1,213,107</u>

The following schedule summarizes the investment return and its classification in the statement of activities for the year ended December 31, 2018:

Without donor restrictions:	
Investment income	\$ 21,582
Net loss on investments	<u>(41,275)</u>
Total investment return	\$ <u>(19,693)</u>

Note 4 – Pledges Receivable:

The Museum receives various pledge amounts from various donors. These pledges are received for various Museum purposes including operating funds, building expansion, collection enhancement, long-term endowments, etc. Pledges are recognized as revenue in the period the pledge is received as the pledges are unconditional. These amounts are expected to be collected within one to five years. At this time no allowance for uncollectible amounts has been made, as management believes that any uncollectible amounts are not material to the financial statements. Also, pledges to be received after one year are not discounted because management believes this discount is not material to the financial statements. Pledge and other receivables at December 31, 2018 are as follows:

Pledges receivable	\$ <u>11,811</u>
Total pledges receivable	\$ <u>11,811</u>
Amount due in:	
Less than one year	\$ 6,811
One to five years	<u>5,000</u>
Total pledges receivable	\$ <u>11,811</u>

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 5 –Property and Equipment:

Property and equipment consisted of the following at December 31, 2018:

Depreciable assets:	
Buildings	\$ 14,021,074
Furniture, fixtures, & equipment	691,205
Water system	1,074,022
Roads and fences	456,746
Rental buildings and roads	120,538
Stonehenge	34,221
Total depreciable assets	<u>16,397,806</u>
Less: accumulated depreciation	<u>4,459,383</u>
	11,938,423
Land	<u>181,406</u>
Total net property and equipment	<u><u>\$ 12,119,829</u></u>

Depreciation expense for the year ended December 31, 2018 was \$379,176.

Note 6 – Leases:

The Museum is the lessor of certain real estate used primarily for agricultural purposes under various leases that are accounted for as operating leases. The cost of the land leased is listed above in the notes to property, buildings and equipment. The Museum also receives income from wind power development of their property. The Museum’s policy is to record contingent rental income during the period it is earned. Total operating and contingent rental income for 2018 aggregated \$329,659. Future minimum operating and contingent rental income for the five succeeding fiscal years are as follows:

<u>December 31,</u>	<u>Amount</u>
2019	\$ 117,227
2020	115,427
2021	111,427
2022	99,427
2023	90,750
	<u><u>\$ 534,258</u></u>

Note 7 – Tax Deferred Annuity Program:

The Museum offers a tax deferred annuity program that is available to all salaried employees after a minimum employment period. Employees may contribute up to 20 percent of their qualified wages subject to ceiling prescribed by law. The Museum contributes between 3 and 5 percent of the employees’ gross annual salaries. During the year ended December 31, 2018, the Museum contributed \$12,717 to the program.

Maryhill Museum of Art
Notes to Financial Statements
December 31, 2018

Note 8 – Note Payable:

Note payable consisted of the following:

Note payable to Kubota, non-interest bearing, with monthly principal payments of \$575, maturing April, 2023	\$ 29,935
	29,935
Less current maturities	(6,908)
	\$ 23,027

Future maturities of long-term debt are as follows:

Years Ending December 31,	
2019	\$ 6,908
2020	6,908
2021	6,908
2022	6,908
2023	2,303
	\$ 29,935

Note 9 – Net Assets Without Donor Restrictions:

From net assets without donor restrictions of \$12,173,936, the Board of Trustees has designated a quasi-endowment of \$151,454 as of December 31, 2018.

Board-designated quasi-endowment	\$ 151,454
Undesignated	12,022,481
	12,173,935
Total net assets without donor restriction	\$ 12,173,935
	12,173,935

Maryhill Museum of Art

December 31, 2018

Note 10 – Net Assets With Donor Restrictions:

Net assets with donor restrictions are restricted for the following purposes at December 31, 2018:

Subject to expenditure for specified purpose:	
Educational programs, exhibits, and collections	\$ 170,100
Future buildings and grounds repairs	29,795
Subtotal	199,895
Investment in perpetuity	1,213,107
Total net assets with donor restrictions	\$ 1,413,002

Note 11 – Commitments:

In 2011 the Museum entered into an agreement with the Washington Department of Commerce wherein it conveyed a deed of trust to Commerce as a condition of receiving certain grant funds. Under this agreement Commerce holds a deed of trust on Maryhill Museum of Art real property for a period of 10 years from the date of the final payment of grant funds (June 20, 2013). Upon satisfaction of the ten-year term requirement and all other grant terms and conditions, Commerce will take appropriate action to reconvey the deed of trust.

Note 12 - Liquidity:

The following table reflects the Museum’s financial assets as of December 31, 2018 and 2017, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year, or because the governing board has set aside the funds for a specific contingency reserve or a long-term investment as board-designated assets. The designations could be drawn upon if the Board approves that action.

Financial assets:	
Cash and cash equivalents	\$ 114,469
Inventory	48,349
Pledges receivable due within one year	6,811
Financial assets at year end	169,629
Financial assets available to meet cash needs for general expenditures within one year	
	\$ 169,629

Notes to Financial Statements
December 31, 2018

Note 12 – Liquidity (continued):

As part of liquidity management, the Museum has a goal to maintain financial assets on hand to meet 60 days of normal operating expenses, which would be approximately \$265,000 as of December 31, 2018. The Museum's goal is to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The balance of the board-designated quasi-endowment fund is intended by the Board of Trustees to be used for future operational needs. However, the Board of Trustees may release a portion of the fund if there is a liquidity need.

Note 13 – Prior-Period Adjustment:

In May, 2012, the Museum added a building expansion costing \$9,215,935 with a salvage value of \$3,686,374 and an expected life of 40 years. Straight-line depreciation is used. In error, salvage value was not deducted in computing depreciation. To correct this error, accumulated depreciation was decreased and net assets without donor restrictions was increased by \$522,213.
